Court House, Laconia, N. H.

January 23, 1934.

A special meeting of Belknap County Delegation called to discuss purchase of land for an airport. All members were present except Wiley, Prescott and Harvey. Meeting called to order by clerk at 2.25. Representative Guay chosen temporary chairman.

Mayor Carroll expressed himself as in favor of airport proposition, and read a telegram from E. H. Hunter in regard to C. W. A. funds, also stated that Rotary and Kiwanis Clubs were in favor of project.

Chairman Page arrived. Judge Harry Trapp was next speaker, as a member of the local C. W. A. Committee. He gave in detail the story of the examination of proposed site.

Rep. Hoyt spoke of labor conditions in Laconia, saying that 400 men were not employed. County Solicitor Jewett stated the legal aspect of the situation saying that the convention has power to authorize the commissioners to purchase land. He was personally in favor of the plan. Commissioner J. F. Smith reported details of plan, stating effect upon employment. Airport must be maintained as such for five years, after which time its continuance is up to the community. Judge Trapp added that the only expense of upkeep would be mowing three times each summer. He felt this should be a County project, not a Laconia one.

Commissioners Morrison and Weeks both spoke in favor of the project, suggesting that land be bought at any rate, whether airport proposition is approved by C. W. A. or not. Rep. Rollins doubted value of land thinking price of \$8,000 was too high. Rep. Varney showed a blue print of other land on Pleasant Street which could be bought.

Rep. Neal would approve a city project, not a County

one, suggesting that Belknap County co-operate with the City of Laconia

County Solicitor Jewett then read the following motion; The Commissioners of Belknap County are hereby authorized to purchase at a price not exceeding \$8,000, the so-called Perley, Mathes, and Woodman property, located in Laconia, covering fifty-five acres, more or less, said land to be used for County purposes, to-wit for airport and tillage purposes. The Commissioners are hereby authorized to give the notes of the County in payment thereof.

Rep. Little moved the motion. Rep. Guay moved proviso that authority to purchase land should be given commissioners provided funds of at least \$20,000 are assigned by the C. W. A. for the development of the land herein mentioned. Upon the proviso the roll call showed 15 to 3 in favor, Little, Beane, and Stafford voting in the negative.

Discussion followed as to whether it would not be better for the City to take over the land, Neal and Guay strongly favoring that proposition..

The main question being called for, the motion as amended by proviso was put. Upon roll call the vote was 13 to 4, Varney, Guay, Merrill, and Neal voting in the negative.

County Treasurer Hayford then stated condition of County finances, and commissioners said it was probable that a portion at least of purchase money could be drawn from regular funds without added to 1934 budget. The following motion was then carried: Any surplus from money already raised and appropriated may be used for purchase of land, and if further sum is necessary the commissioners are authorized to add it to the 1934 budget.

The meeting was then adjourned.

W. J. Neal chosen clerk protem.

Motion made by Rep. Guay that a committee of three be appointed to consider the question of selling a strip of land adjoining the Battis property, and that the County Commissioners be authorized, with the advise and consent of this committee as to price to sell a strip 25 ft. wide and approximately 100 ft. deep. Motion carried. Rollins, Newell, and Beane were appointed as committee.

Chairman Page then explained the matter of the County plowing the community gardens. Mr. Hoyt also spoke on the question. Moved by Rep. Beane that the Commissioners be requested to take care of the plowing of the county gardens and furnish the seed potatoes the same as last year. Motion seconded by Rep. Wallis, and discussed by Prescott and Piper. Motion carried.

## COMMISSIONERS' REPORT

---

Laconia, New Hampshire

To the Citizens of Belknap County:

In compliance with the Laws of the State, your Commissioners herewith present their report, together with the report of the Treasurer, Superintendent of the Farm and House of Correction, Clerk of the Superior Court, Sheriff, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1934.

No material repairs have been made on the court house except those necessary for ordinary upkeep. Additional vault room for the preservation of the county records will have to be added in the near future.

Improvements at the county farm during the past year include a hospital for women with a maternity ward fully equipped and a sun porch connected with the women's wing. The entire buildings have been re-wired, electric power has been installed for sawing wood and cutting ensilage and a piggery twenty by fifty feet has been built. Fifty acres have been added to the farm by the purchase of the Perley field at the cost of \$8,000. This will increase tillage for the farm. A road has been constructed from North Main Street to the lake which will develop property for city and county. The Federal Government has furnished labor on this project to the amount of \$40,000.

The family at the county farm have been well cared for. Good health and happiness have prevailed. Much credit for these conditions is due to Superintendent and Mrs. Hartford and their assistants. The commissioners wish to extend their thanks to city and town officers and all others for their cooperation. Special thanks are

---

due to our chaplain, Mr. Fitzpatric, also the Catholic Priests for the interest they have taken in the spiritual welfare of the people at the farm.

Very respectfully,

HARRY E. TRAPP, Clerk.

Feb. 26, 1935

Board of Commissioners,  
Belknap County,  
Laconia, N. H.

Gentlemen:

At this time I wish to make my final report as Solicitor for Belknap County and to sincerely thank the Board for the many courtesies shown to me during the last year. I have served Belknap County as its Solicitor for ten years and the relations between the Com-

missioners and my office have been most pleasant and agreeable.

During the past year the number of criminal prosecutions has been small and there is but one important matter now before the Court and that is the case of State vs. Johnson now in the Supreme Court relative to a question of law. The amount of work done in regard to pauper and settlement cases has been large and will be more so as time goes on due to the condition of the times when so many families are on relief. All legal matters have been attended to promptly and advice given when requested.

I once more wish to thank the Board, as individuals, for all assistance given me and for the pleasant relations that have existed between us.

Very truly yours,  
THEO S. JEWETT, Solicitor

Laconia, N. H.

Gentlemen:

It is with pleasure that I present my third annual report as Chaplain of the Belknap County Farm for I feel that my work during the past year has meant more

to the inmates than ever before. All of the meetings have been well attended and many have expressed their appreciation and say that they have been helped. There has been much sickness and several deaths during the year and I have endeavored to render all the comfort and encouragement possible. Unless one has been in touch with institutions like ours they cannot realize what it means for one to be sick and dying, often forsaken by their own people. I am deeply touched when I see the sorrow and heart suffering of those who have had their own homes and loved ones and thru no fault of their own, are public charges. I have never known anyone to be more thoughtful or kind to the sick and suffering than Mr. and Mrs. Hartford. I have often known them to go beyond what might be expected of them in their desire to do all that they could for those under their care.

It would seem to me that there has been more interest upon the part of the public in the work of the County Farm and in the inmates than in other years. I sincerely trust that more of the people of Belknap County will visit the Farm and encourage those who have the work in charge. I wish to thank the members of the Board, and Mr. and Mrs. Hartford for their kind cooperation in what I have tried to do as Chaplain and those who have assisted me in the fine musical programs which have been put on during the year. Trusting that the blessing of God may rest upon the Institution and those who have the responsibility of carrying on the work in the coming year, I am,

Very truly yours,

FREDERIC W. FITZPATRICK, Chaplain.
